

9th French-Israeli Workshop on Foundation of Computer Science,

| Last Name     | First Name | Affiliation                           |
|---------------|------------|---------------------------------------|
| Abboud        | Amir       | Weizmann                              |
| Afek          | Yehuda     | Tel-Aviv University                   |
| Agassy        | Daniel     | Tel Aviv University                   |
| Ajarra        | Ayoub      | École Centrale                        |
| Aldema Tshuva | Eden       | Tel-Aviv University                   |
| Alon          | Noga       | Princeton University                  |
| Apers         | Simon      | CNRS, IRIF                            |
| Applebaum     | Benny      | Tel Aviv University                   |
| Augustine     | John       | Indian Institute of Technology Madras |
| Azar          | Yossi      | Tel Aviv university                   |
| Ban           | Amir       | Weizmann Institute of Science         |
| Bargig        | Snir       | The Open University                   |
| Bhushan       | Kaartik    | IIT Bombay                            |
| Bohnlein      | Toni       | Weizmann                              |
| Borodin       | Allan      | University of Toronto                 |
| Buchbinder    | Niv        | Tel Aviv University                   |
| Burman        | Janna      | Université Paris-Saclay, LISN, CNRS   |
| Chaudhary     | Juhi       | Ben Gurion University of the Negev    |
| Chouraqui     | Gabriella  | BGU                                   |
| Cohen         | Lee        | Tel aviv university                   |
| Cohen         | Ilan       | Bar-Ilan University                   |
| Cohen         | Ran        | Reichman University                   |
| Das           | Avinandan  | IRIF, CNRS, Universite Paris Cite     |
| Dorfman       | Dani       | TAU                                   |
| Even          | Tomer      | TAU                                   |
| Even          | Guy        | TAU                                   |
| Feige         | Uriel      | Weizmann Institute                    |
| Feldman       | Michal     | Tel Aviv University                   |
| Fiat          | Amos       | Tel Aviv University                   |
| Filtser       | Arnold     | Bar-Ilan University                   |
| Fischer       | Orr        | Weizmann Institute                    |
| Fraigniaud    | Pierre     | Université Paris Cité and CNRS        |

|                 |           |  |
|-----------------|-----------|--|
| Fridman         | Yehuda    |  |
| Frydberg        | Alon      | Tel Aviv University                        |
| Gahlawat        | Harmender | Ben-Gurion University of the Negev         |
| Giladi          | Gal       | Tel Aviv University                        |
| Gross           | Renan     | Weizmann Institute of Science              |
| Haitner         | Iftach    | TAU  |
| Hod             | Rani      | Tel Aviv University                        |
| Jacobson        | Shani     | Tel Aviv University                        |
| Jartoux         | Bruno     | Ben-Gurion University of the Negev, Israel |
| Kalev           | Itay      | Tel Aviv University                        |
