

INFORMATION FOR PARTICIPANTS

1 Workshop Venue

All talks will take place at [The Checkpoint building](#) of the [School of Computer Science](#) at Tel-Aviv University.

Please note that you might be required to show some ID at the entrance to the university campus.

1.1 Transportation

Bus 10 goes from next to the Melody hotel to the main entrance of the Tel-Aviv University campus, every 10-20 minutes or so. To use this bus (and other busses) one needs an electronic card that can be bought, among other places, at Ben-Gurion Airport. For more details see the following [transportation guide for visitors](#).

Other transportation options are taxi and rented bikes. You may also use the “bubble Dan” app (available both on AppStore and GooglePlay) with which you can order half-private half-shared rides in minibuses.

If you arrive with your own car, you can park at the “museums parking” (12, Klausner st.) and get from us a sticker for free parking.

1.2 WIFI

Wifi is available at the workshop venue (and other places on campus) using the “Free-Tau” network with the password “free-tau”. Eduroam is also usually available.

2 Food and Drink

2.1 Coffee breaks

There will be two coffee breaks every day, one in the morning and one in the afternoon, served next to the lecture hall. On the first day of the workshop coffee and snacks will also be available before the workshop starts.

2.2 Lunch

Light lunch will be served every day during the lunch break next to the lecture hall. There are many additional options for lunch on Campus.

3 Social Event

A social event will take place in the evening of Wednesday June 15, probably starting around 19:00. More details to follow.
